Winter Garden in Washington DC 2013-2014 - Chinese Cabbage, Kale, Collards and More

Mon, 01/13/2014 - 10:58 -- deenice

[1]Gardens are hard to maintain generally, but in the Winter most folks wait past the cold weather until the spring. But look at all the wonderful produce you can grow during the cold rain, sleet, ice and snow. This video shows you what can thrive in the cold seasons.
