Bulacan Provincial Jail Inmates Rooftop gardening

Thu, 09/16/2010 - 17:15 -- supremo

Just start a gardening program for the Inmates of Bulacan Provincial Jail, We will turn our roof top to vegetable garden, we just start preparing our garden soil composition rice hull are abundant here in Bulacan so we utilized what we can get for free. we mix our soil with the rice bran and animal manure. and start planting okra seeds luckily in 4 days we have a new plants growing, we plant also red bell pepper that is growing fast, you will read more of the progress of our garden soon hope to give us some tips on rooftop gardening.
