## Experimental Fruit 101

Thu, 03/24/2011 - 13:41 -- Oregon Coast Ga...

Fruit lovers, join me in celebrating strange fruits... what do you grow? Did you get scion wood from an exchange to graft heirloom apples? Are you pushing the envelope like me to see just how many different kinds of fruiting plants you can grow in your climate?

See my post [Experimental Fruit 101](#) [1] on Oregon Coast Gardener.
