## **Micro-local: the 15-mile meal**

Thu, 03/24/2011 - 18:21 -- Peter

[Tonight's dinner](#) [1] was made entirely with ingredients from within 15 miles of my house. Pork belly braised in maple sap, birch-parsnip ice cream, herb meringues, and burdock-black trumpet purée. Click the link to read all about it.
