## I could have sworn I had a blog already

Sat, 04/30/2011 - 15:50 -- ykcowrebbaj

Anyway, it turns out I don't? Which means I don't really remember when I started seeds & things last year. Or the year before. Oops. What with one thing and another (specifically, the weather and the weather) I haven't started seeds yet this year. Nor have I taken stock of the seed situation. I suppose I'd better get started.
