Thu, 07/14/2011 - 05:35 -- Roger Doiron

Hello. I'm giving a TEDx talk in Portland, ME in September (!) and would love to include some of your bright ideas about where the homegrown movement needs to go next & how we'll get there. What public policies & investments are needed? Who's not on board who needs to be? How do we reach out to & educate them? Are there other successful movements we might emulate? What role should KGI and other nonprofits play? Thanks, Roger
