Question:

What is the best method for winter sowing vegetable seeds in containers outdoors?

Group content visibility:

Use group defaults

Answer::

Question Details (optional):

I have seen some information on starting flower seeds in containers outside in the winter, but not a lot on vegetables. My house is not conducive to starting indoors, and I wanted to know if anyone had experience with this method of winter sowing before? I'm looking to plant Cucumbers , Herbs, Lettuce , Onions, Peas , Peppers , Tomatoes.
