Steamed Snow Pea Greens with ginger and garlic

Sun, 10/31/2010 - 13:50 -- spirit2sole

Introduction:

This is an Asian side dish, made with fresh snow pea vines.

Preparation:

heat oil in a large saute pan, add garlic, snow pea greens and toss quickly, to heat through. When the snow pea vines are heated, add ginger and toss. Remove from the heat and drizzle the sesame oil over the greens and serve.

Recipe Type:

[side dishes](#) [1]

Ingredients:

1lbs of snow peas vines
4 garlic cloves chopped fine
2 tablespoons grated fresh ginger
1 table spoon olive oil
1 teaspoon toasted sesame oil
