Asparagus with Dijon and Sesame seeds

Sat, 04/23/2011 - 08:38 -- spirit2sole

Introduction:

This is great served hot or let cool to room temp. I always make a double recipe, the left overs are great the next day too.

Preparation:

Whisk together the soy sauce, mustard, sesame oil and vinegar in a small bowl. Steam the asparagus just until tender, about 5 minutes. Drain the excess water. Toss with the soy sauce mixture. Sprinkle with sesame seeds. Serve hot or let cool to room temp.
