## kgiadmin question

Wed, 04/25/2012 - 08:24 -- KGI

Question:

How do I upload a photo?

Topics::

[KGI website](#) [1]

Group content visibility:

Use group defaults

Answer::

Photos can be uploaded by clicking on the camera icon on the content creation dashboard. They can also be added to blog posts, questions and recipes once you've clicked on one of those icons. In all cases, you'll see something that looks like this:

*Click "choose" to locate a photo on your computer or "Remote URL" for a photo that's already on the internet. Then click "Upload."*

Image  
**Upload** | Remote URL

Files must be less than 100 MB.  
Allowed file types: png gif jpg jpeg.

Image credit (optional)

*Give credit to the image taker or owner by adding a URL here*
