kgiadmin question

Wed, 04/25/2012 - 11:52 -- KGI

Question:

How do I join or log into the KGI website?

Topics::

[KGI website](#) [1]

Group content visibility:

Use group defaults

Answer::

Click on the "Join Us" button. Once you've done that, you'll see something that looks like this:

The screenshot shows the user account section of the KGI website. At the top is a green navigation bar with links: Home, Education, KGI Garden Planner, Activity Stream, and Grants & Pa. Below this is the 'User account' section. It features a 'Log in' button and a 'Request new password' button. A red callout box points to the 'Request new password' button with the text: 'Join or sign in with another online account, the easiest way if you've never registered before'. Below the buttons, it says 'Join or sign in via one of these accounts:' followed by icons for Facebook, AOL, Google, and Yahoo!. A red callout box points to the 'Create a New Account' link with the text: 'If you don't want to use an existing online account, you can create a new KGI account here'. To the right is a login form with 'Username *' and 'Password *' fields, each with a placeholder text: 'Enter your Kitchen Gardeners International username.' and 'Enter the password that accompanies your username.' respectively. A 'Log in' button is below the password field. A red callout box points to the 'Log in' button with the text: 'Members of the old KGI site can sign in with their old credentials here'.
