Question Details (optional):

I am a beginner gardener and new to Minnesota. I would love to here specifics of the garden tasks you are accomplishing right now or planning for the next week, so I can get going! If you tell me what you are doing, that will help me know what I can be doing, too! Thanks! If you have a blog about gardening in Minnesota, please post the link! Plus: I would love to hear your thoughts on growing my crops of interest (keep in mind I'm a newbie): asparagus, beets, broccoli, cabbage, carrot, kale, calendula, cucumbers-and-yellow-squash (I'd like to do on trellis), cilantro, rhubarb, spinach, microgreens, lettuce, bell peppers, melons, pumpkin, sunflower,
