Miss Lady Bug's Herb Butter

Tue, 06/05/2012 - 21:56 -- Miss Lady Bug

Introduction:

My friends love this herb butter and so do I. It's made with fresh dill and real butter. Yes... real butter.

It's delicious on crusty bread! Since it goes so fast at my house I decided to post the recipe for everyone to enjoy. It consists of a few simple ingredients.

Preparation:

Soften butter at room temperature. Blend in all other ingredients. Refrigerate.

Best served at room temperature.

Enjoy!
