tomatoes

Sat, 06/09/2012 - 12:29 -- ShanazAshfaq

Planted tomatoes.though small area but it was good start.Just ouside my bedroom window,in the ground.My son has made a walkin window for me that opens in the garden..

Ihave been planting many vegeies since long but on small scale.May be i will do on more area some day with my son and his children as all three of them are very much in love with gardning.
