## elljeedub question

Mon, 06/11/2012 - 11:37 -- elljeedub

Question:

Do Anise Hyssop plants (in the mint family) need to be plucked/pruned at the top to make them bushier?

Do Anise Hyssop plants need to be plucked/pruned at the top to make them bushier?

Question Details (optional):

I know with basil, pruning is important, and I'm not sure about the mint family. Thanks!
