Introduction:

Want to delight your guests at the breakfast table? This topping is made with three simple ingredients: strawberry jam, sweet basil, and butter.

It's delicious on panckes, biscuits and crossaints! I wrapped a "mini" bundt cake pan with clear plastic wrap to mold the butter into a design, but it would also be nice just served in a pretty bowl.

This recipe is so easy and delish, I wanted to post it for everyone to enjoy.

Preparation:

Soften butter at room temperature.

Blend all ingredients. Refrigerate.

Best served at room temperature... topping warm pancakes and breads.

Enjoy!
