You can help KGI win a grant for \$5000 for school and community gardens by voting for our entry in the Do Good Outdoors Contest. We're currently in 2nd place so every vote counts. Voting closes at 3pm tomorrow, August 3rd so please vote now: <http://outdoors.maker.good.is/projects/sow-it-forward> [1]

Sow It Forward is already being supported by some great companies including the [Ark Institute](#) [2], [Gardeners Supply Co](#) [3], [Storey Publishing](#) [4] and [GrowVeg.com](#) [5] which are donating seeds, supplies, books and, in the case of GrowVeg, subscriptions to their online garden planner. We want to thank them for their support.
