KGI Poll: Adding Discussion Groups to KGI.org

Fri, 09/07/2012 - 12:18 -- Roger Doiron

We're considering adding subject-focused discussion groups to the KGI site. What type of subject group would you be most likely to join?

school gardens (elementary and intermediate ages)

school gardens (junior high and high school ages)

community gardens

church and food pantry gardens

small space and container gardens

rooftop or balcony gardens

subsistence/homesteader gardens

college or university gardens

hospital gardens

front yard gardens

urban gardens

something else (use the comment section to say what)
