Question Details (optional):

right now i have a sweet potato and red potato cut in half and suspended in water ... waiting for leaves on the tops and roots out the bottom

also have a celery base in a little water sprouting new greenness out the middle, planning to plant it in a small pot soon !

here's a list of the seeds i ordered from renee's in california (i live in south FL)

- broccoli
- swiss chard
- basil (italian pesto)
- sun samba sunflowers
- starlight echinacea
- slow-bolt cilantro
- italian sage
- baby persian cucumbers
- french lavender

much love !
