## lori.martin@ymail.com question

Mon, 10/15/2012 - 12:20 -- lori.martin@yma...

Question:

I have a small backyard garden and love to plant tomatoes. I had a problem with my plants this year, I think blight. Since I don't have a lot of room to rotate where I plant, is there something I can do to prepare the soil for next spring's planting?
