## Laurie niles question

Sun, 05/05/2013 - 10:42 -- Laurie niles

Question:

How to get eradicate black ants: redoing a 118'x18' school garden; scrapped to hardpan, added layer of cardboard, rice straw, finished compost & wood chips. will have garden boxes & containers atop of chips. seeing black ants (problem from the past) under cardboard layer. suggestions?
