EKPK question

Tue, 07/23/2013 - 16:17 -- EKPK

Question:

Hello Kitchen Gardeners around the World, We are a community garden in Hungary. We just join to KGI but want to celebrate World Kitchen Garden Day 2013 in Hungary. If any of you are able to share some program idea or activity for the Kitchen Garden Day, we'll be very happy. :) Every idea are welcomed :)

Thank in advance from middle of Europe!
