## **WORLD KITCHEN GARDEN DAY 2013**

Tue, 08/27/2013 - 00:45 -- tariq tanveer

Hi friends??KGI Pakistan organize an event for kitchen gardeners in Pakistan in collaboration with Kitchen Gardeners International at day

### ***WORLD KITCHEN GARDEN DAY SUNDAY 25 AUGUST 2013***

at QADIR BAKHSH FARMS.

We make an invitation card and also design an event FB page and try to share every person who have interest kitchen gardening we send open invitation every one that come to join us . Press conference also arrange for this event.

Major Shahnawaz ?ul-Hassan (pasban IT group& welfare centre) was the chief guest of this event.

Lectures on mushroom domestic growing and kitchen gardening know how delivered by Dr Asif and Dr Irfan from agriculture university of Faisalabad. All participants enjoying the lectures mostly mushroom growing.

Some practical kitchen gardeners having beautiful kitchen gardens in their homes/factories.

also share their views with others participants , a beautiful and full of vegetables garden was also visit there by all visitors.

Two national companies serving in kitchen gardening also display their stalls to guide the visitors. One company micro drip Lahore for irrigation kitchen garden and second efficient seed company from Gujrawala display kitchen gardening seeds packets.

Two vegetables attractions was made for visitors pleasures . one luffa arch /gate and second a man made with brinjal ,

So it was a model kitchen garden for participants. We call every gardeners who have the passion to grow own vegetables and can share their experience others can come on stage .

after this all participants enjoy lunch containing vegetables.

Really it was a wonderful day for people This event was also a wonderful opportunity to spend a day with other people who are passionate about kitchen gardening. So it was a chance , do group discussion,seasonal vegetables knowledge, received instructions on crop , growing technique ,preserving vegetable . home made foods, vegetables recopies , beauty tips with vegetables and a lots?

We have again a vegetable garden expo end week of February 2014. Confirm your joining [info@qbfarms.com](mailto:info@qbfarms.com) [1]

Our aim *Connecting communities through food , farms and education.*

So come to join us and we will prefer your suggestions ????

Stay blessed

&happy gardening
