World Kitchen Garden Day 2013 / First time in Hungary

Tue, 08/27/2013 - 18:46 -- EKPK

Hello Gardeners from all the world,

Last weekend we celebrated World Kitchen Garden Day in Hungary...

We invited to join our "green" partners for our programs.

It was a clear, sunny day (fortunatelly not so hot :))

So we are very happy, hundreds of people visited to our programs...It was more then we expected.

You can see more pictures on the below link:
