Ramp Video

Thu, 10/10/2013 - 14:43 -- Peter

Hi all-

In collaboration with Handpicked Nation, I present the first of what we hope will be many videos cooking with noteworthy musicians.

This first episode finds me with renowned keyboard player John Medeski, foraging for ramps and them preparing them in a variety of ways. Ramps are out of season, I know, but the editing took a while. We're pretty proud of the result, and we hope you enjoy it.
